### EDUCATION

#### Ganesha Education University | 2022-present

Bachelor of Computer Science

GPA: 3.6

### PROFESSIONAL EXPERIENCE

#### Migration Report & Content Writer Intern | 2025 – present

Interlace Studies Bali

- Prepared and developed migration reports (GNN & GNP) in accordance with client requirements and Australian visa regulations, including subclass 189, 190, 482, and 491.
- Conducted eligibility analysis and nomination assessment to support accurate and compliant migration documentation.
- Wrote and optimized SEO-based blog content related to migration, education, and career pathways to improve website visibility and audience reach.
- Developed educational content scripts for long-form videos explaining migration processes, visa pathways, and requirements in clear and audience-friendly language.
- Monitored and analyzed social media performance metrics (engagement, reach, and growth) to identify content trends and improve future strategies.
- Supported operational coordination for webinars, seminars, and competitions, including content preparation, scheduling, and participant communication.

#### Moderator – Webinar & Seminar | 2025

Interlace Studies Bali

- Moderated educational webinars and seminars on study and work opportunities in Australia, facilitating discussions between speakers and participants.
- Coordinated session flow, audience engagement, and time management to ensure smooth event execution.

### LEADERSHIP & ORGANIZATIONAL EXPERIENCE

#### Coordinator – Division of Innovation and Technology | 2024 – 2025

POKJA FTK Undiksha

- Led innovation and technology initiatives within the faculty working group.
- Coordinated team activities, planning, and implementation of academic and innovation programs.

#### Member – Peer Tutor

Ganesha Education University

- Provided peer-based academic and mental health education support for students.
- Actively involved in educational outreach and student development programs.
